EXPLORE THE ZOO AND FIND OUT ALL
YOU NEED TO KNOW TO ANSWER THE
QUESTIONS THROUGHOUT THE PACK.
GOOD LUCK, ADVENTURERS!

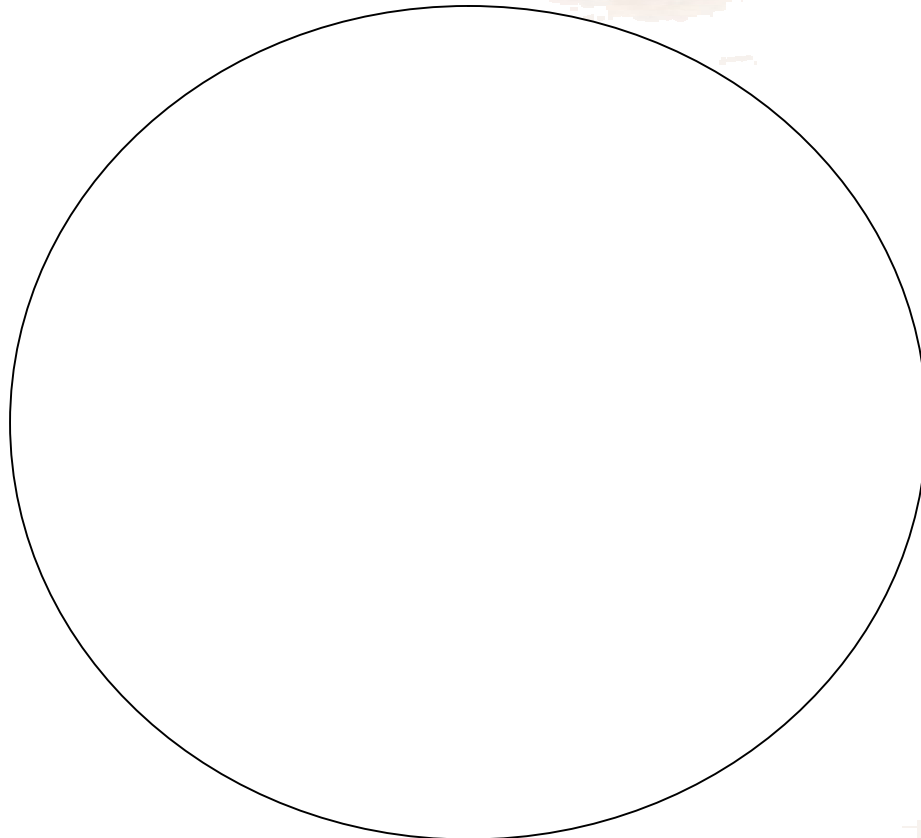

NATURALIST ACTIVITY BADGE

Visit Chessington Zoo and take photos or make drawings of the plants, animals, fish and insects you find on your adventure!

CREATURE FEATURES

Make Drawings or take photos of any plants, animals, fish or insects you see around or in the pond. Write a description of the plants and animals to help you identify them later. Make a note of size, shape and colours.

The Pond

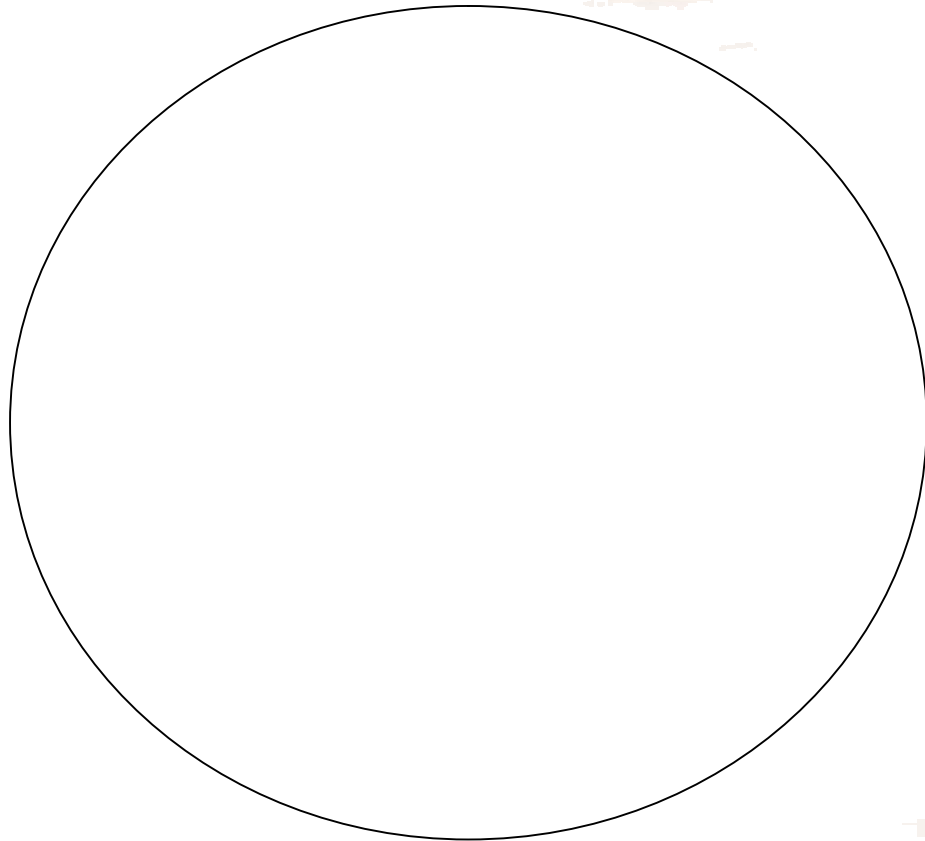

SEALIFE centre

Look in the rock pool. What do you see?

Make a drawing or take a photograph of the animals in the rock pool. Remember to turn off the flash on your camera first.

Write a description of the animals to help you identify them later. Make a note of size, shape and colours.

Rock Pool

CREEPY CAVES

How many insects can you find here?

Make drawings or take photos of those that you see. Remember to turn off the flash on your camera first.

If you cannot find 6 insects in Creepy Caves, look out for more insects while you are walking around Chessington.

Don't forget to write a description of the animals to help you identify them later. Make a note of size, shape and colours.
